## Moderator Conferencing Options

The screenshot shows a web browser window titled "Conferencing - Mozilla Firefox" with the address bar displaying "https://192.168.9.62/conference/options.php". The page content includes a navigation sidebar on the left with buttons for "Current Call", "Directory", "History", "Recordings", "Options", and "Log Off". The main content area features a "Welcome Eli Silberstein" message and two primary sections: "Conference Options" and "Conference Access Details".
